Fort Hunt High School
Fairfax County, Virginia
Volume III, 1966

The highest point of achievement of
yesterday is the starting point of to-
day.

—Paulist Fathers

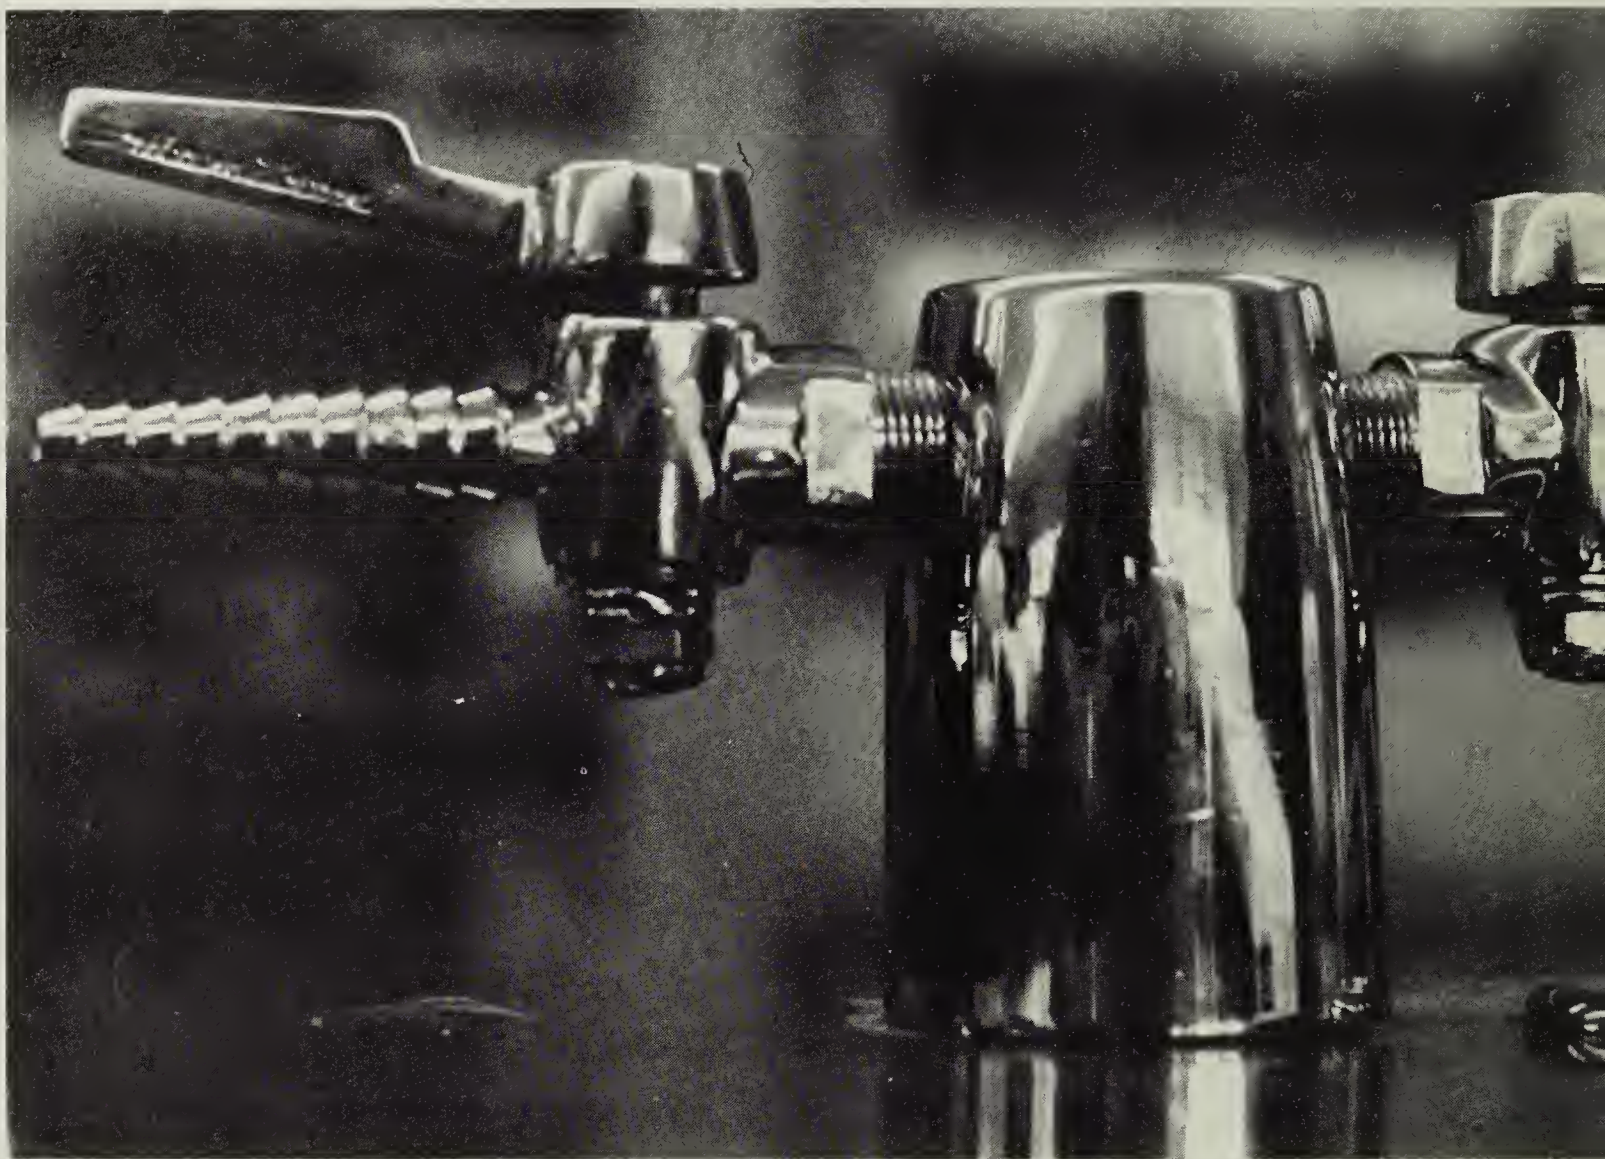

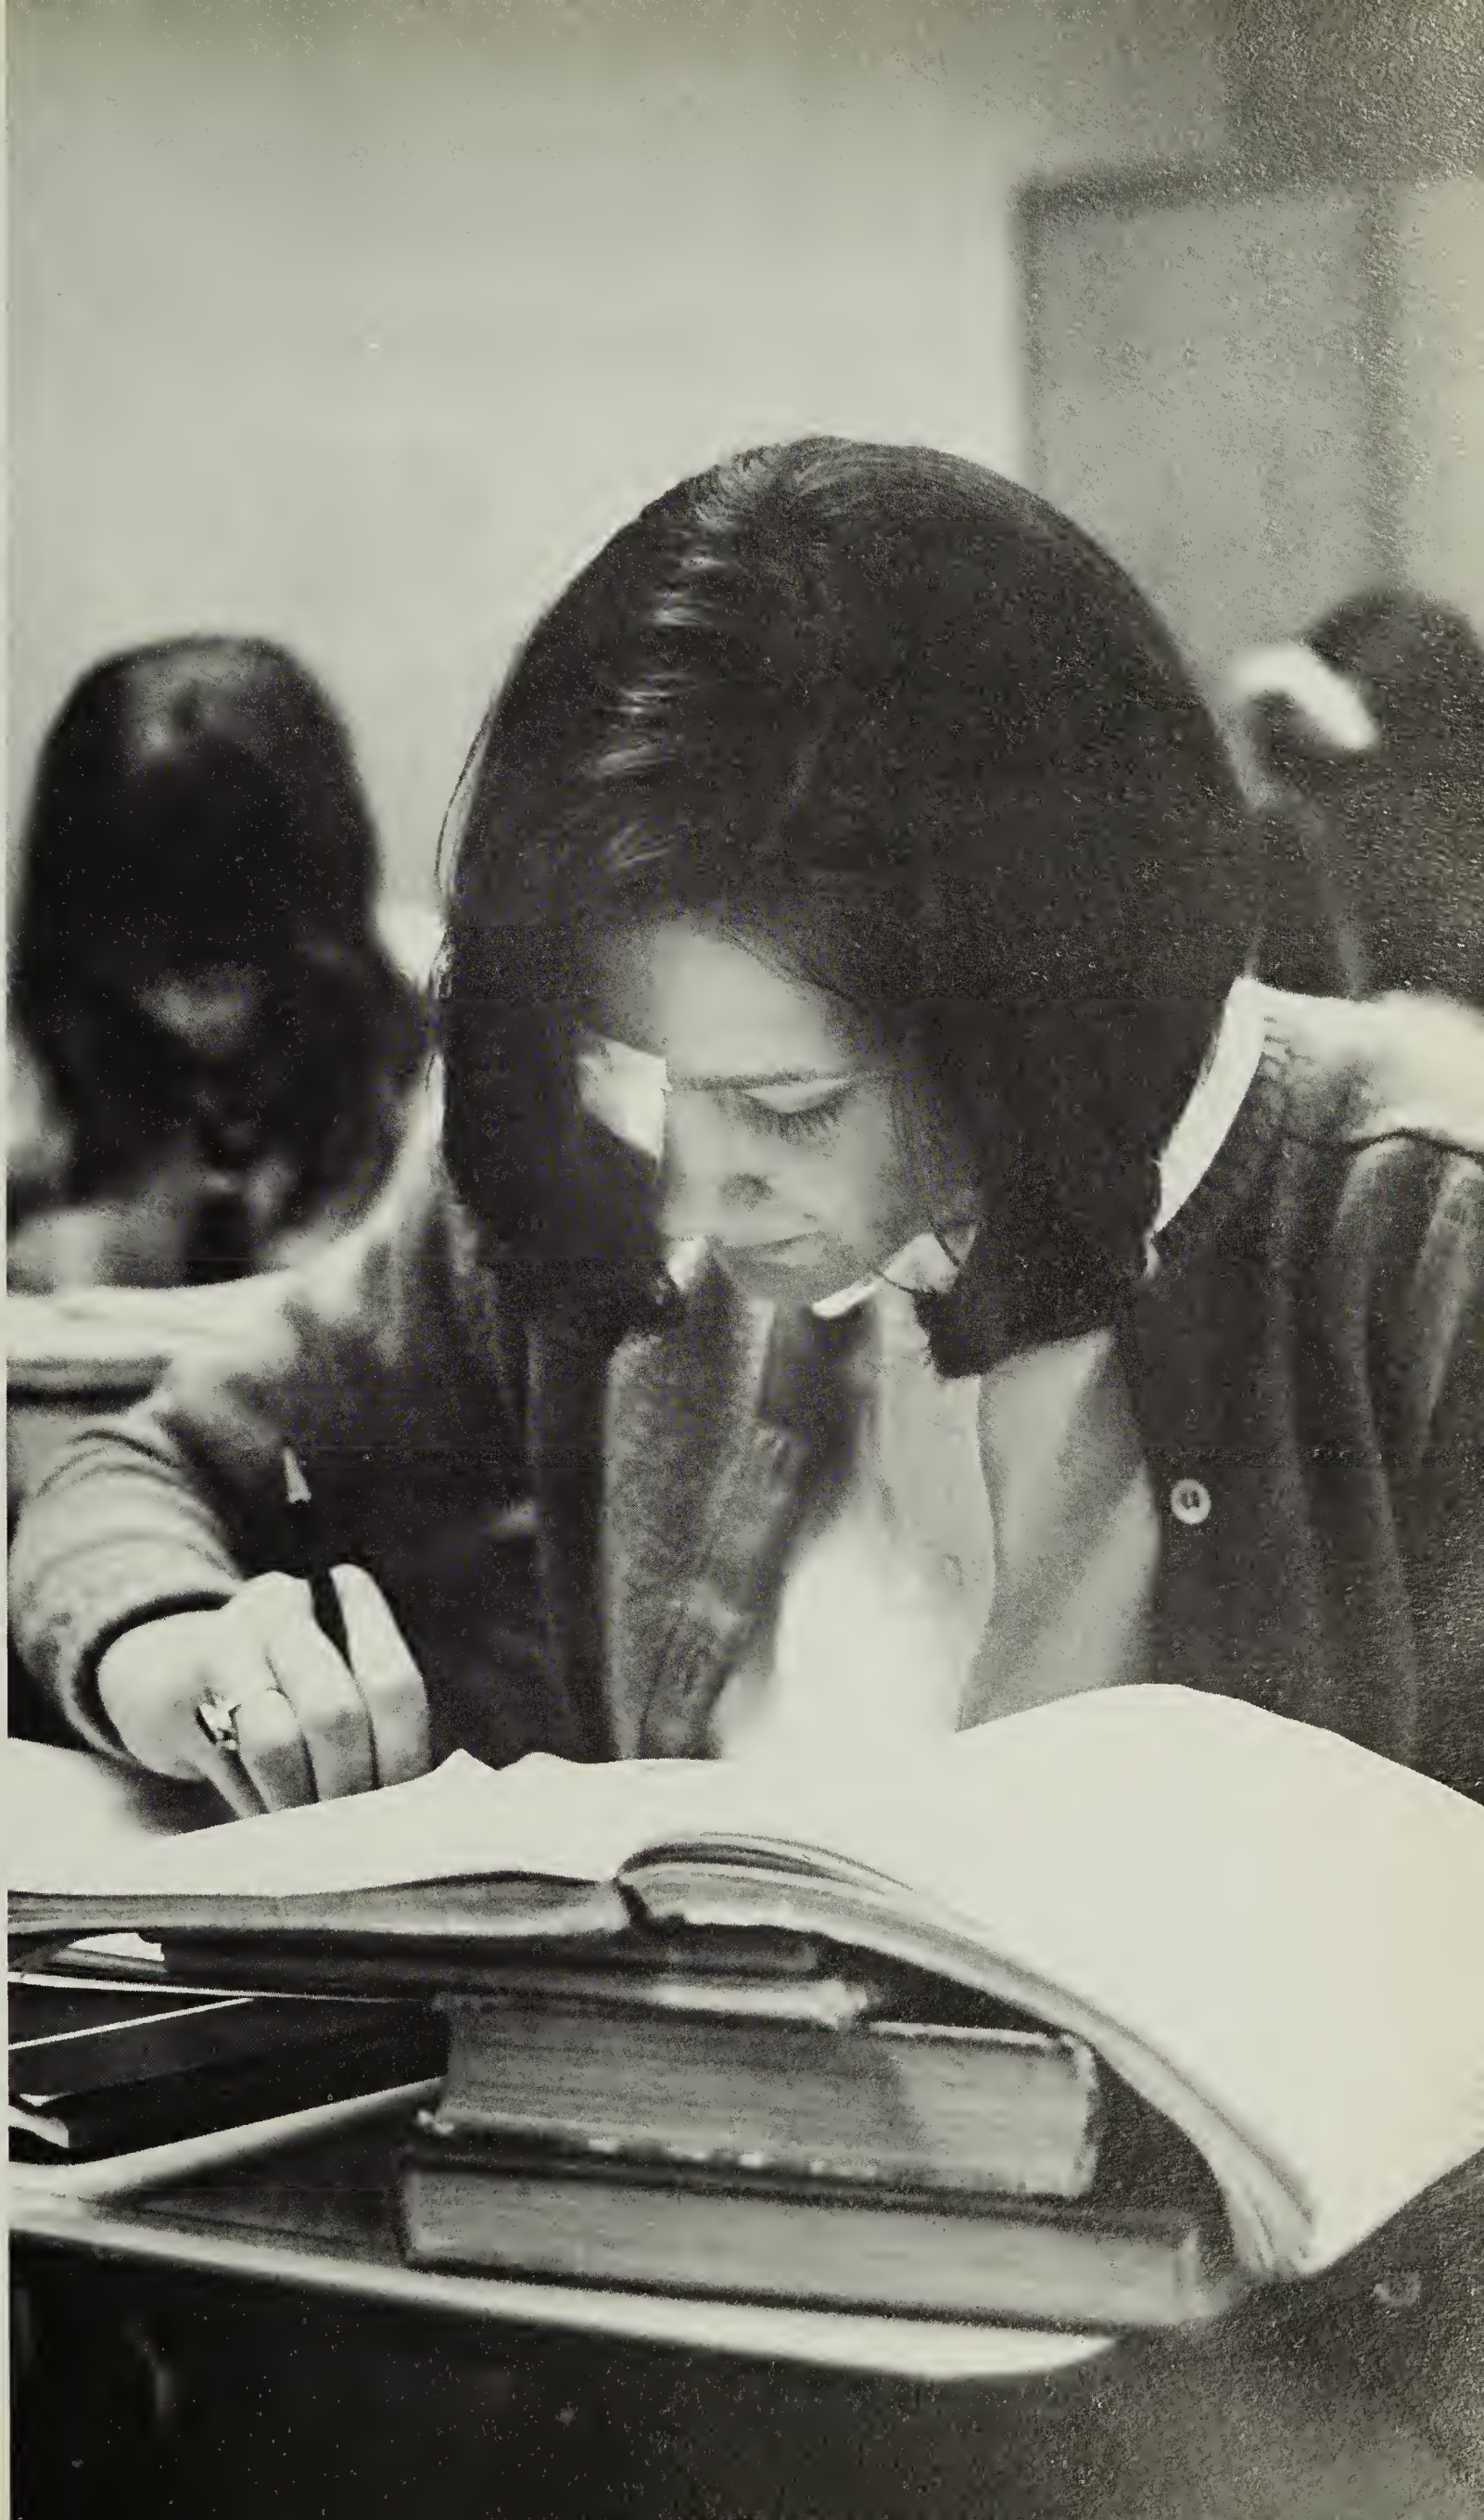

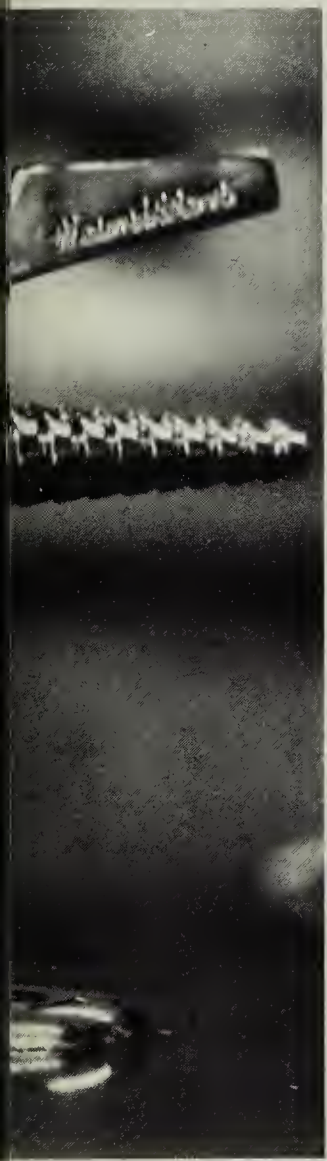

Whatever impedes a man but
doesn't stop him, aids his progress.
—Unknown

What is defeat? Nothing but education; nothing but the first step to something better.

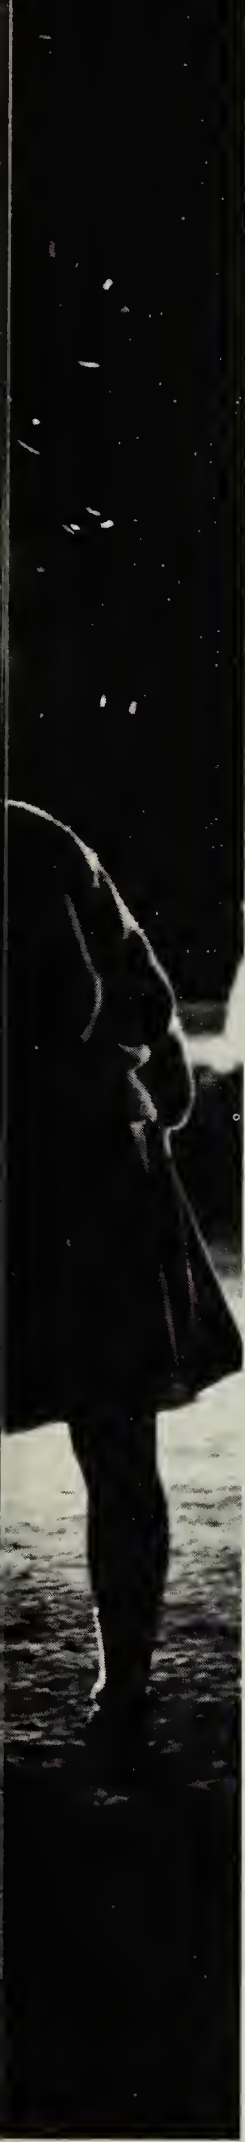

—Wendell Phillips

Forward, as occasion offers. Never
look round to see whether any shall
note it . . . Be satisfied with success
in even the smallest matter, and think
that even such a result is no trifle.
—Marcus Aurelius Antonius

At least we've learned over the years that plans are not solutions.
That is Progress.

— American Veteran of Saigon

ACADEMICS

On his bold visage middle age
Had slightly press'd its signet sage,
Yet had not quench'd the open truth
And fiery vehemence of youth:
Forward and frolic glee was there,
The will to do, the soul to dare.

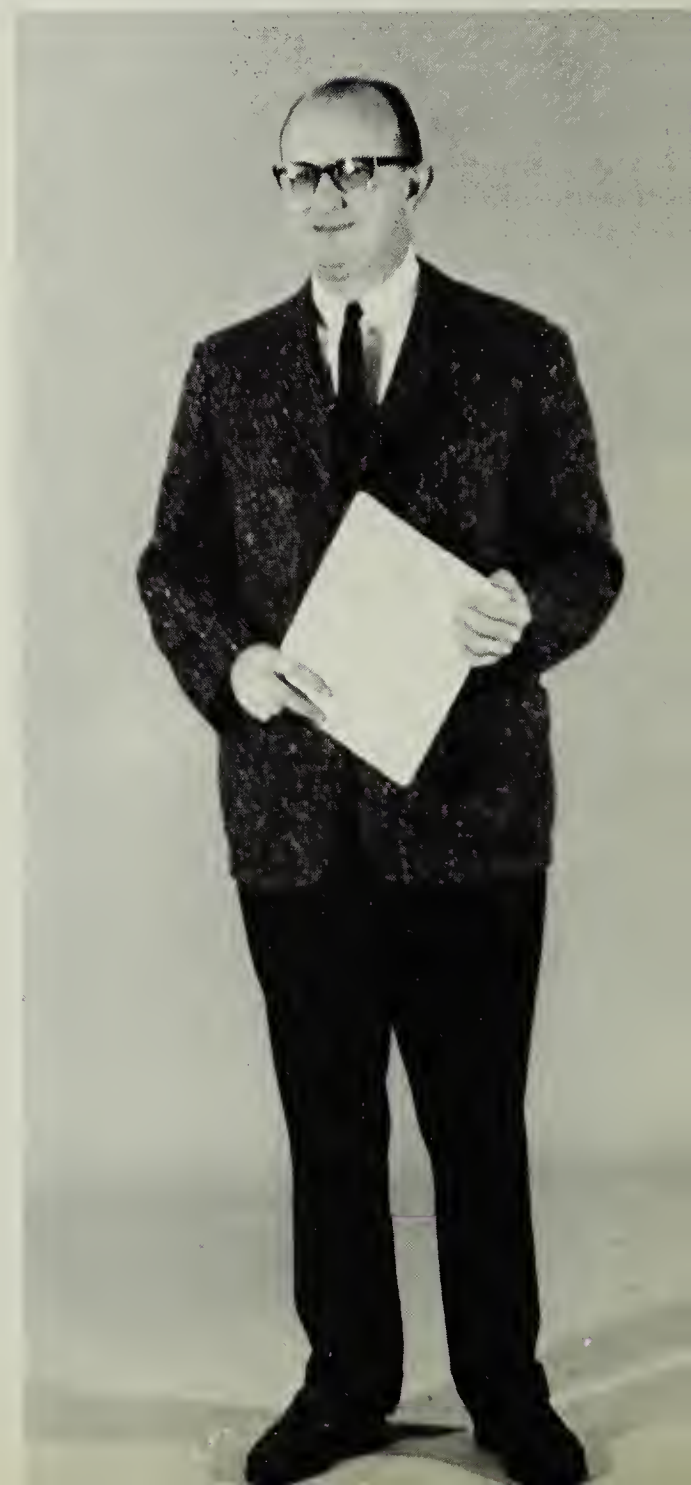

—Sir Walter Scott

Principal

Mr. Davis, Assistant Principal for Instruction

Principals

is continued through the leadership of Fort Hunt's Administration. Our aim is to provide the best curriculum, teachers, and teaching materials. Our principal was the only high school administrator in the United States asked by the State Department to represent the American school system in South Vietnam. Using the American system as a model, he worked in an advisory capacity to establish secondary schools. During Mr. Gibbs' absence, Mr. Davis easily and efficiently carried out the duties of principal, continuing the pattern of progress. Mr. Gibbs, and Mr. Adams have worked diligently in the performance of their many and varied duties. These men have created a lasting impression on each and every person in our school.

Mr. Kley, Assistant Principal for Administration

Mr. Adams, Assistant Principal for Instruction

Sitting: Miss Baker. **Standing:** Mr. Waldorf, Mrs. Suttler, Mr. Cain, Mrs. Chambers, Mr. Schloemer, Mr. Creigh.

Mr. Smart, Guidance Director

Guidance

Guiding students in the selection of courses of study which will develop their particular talents and put them on the right road to their ambitions is the job of the counselors of Fort Hunt High School. The Guidance Department is also responsible for the scheduling of classes for each student and the completion of transcripts for college applicants. The work of this department has been assisted by the installation of Automatic Data Processing equipment, which is used to maintain continuous control on the scholastic activities of every student.

Mrs. Hart

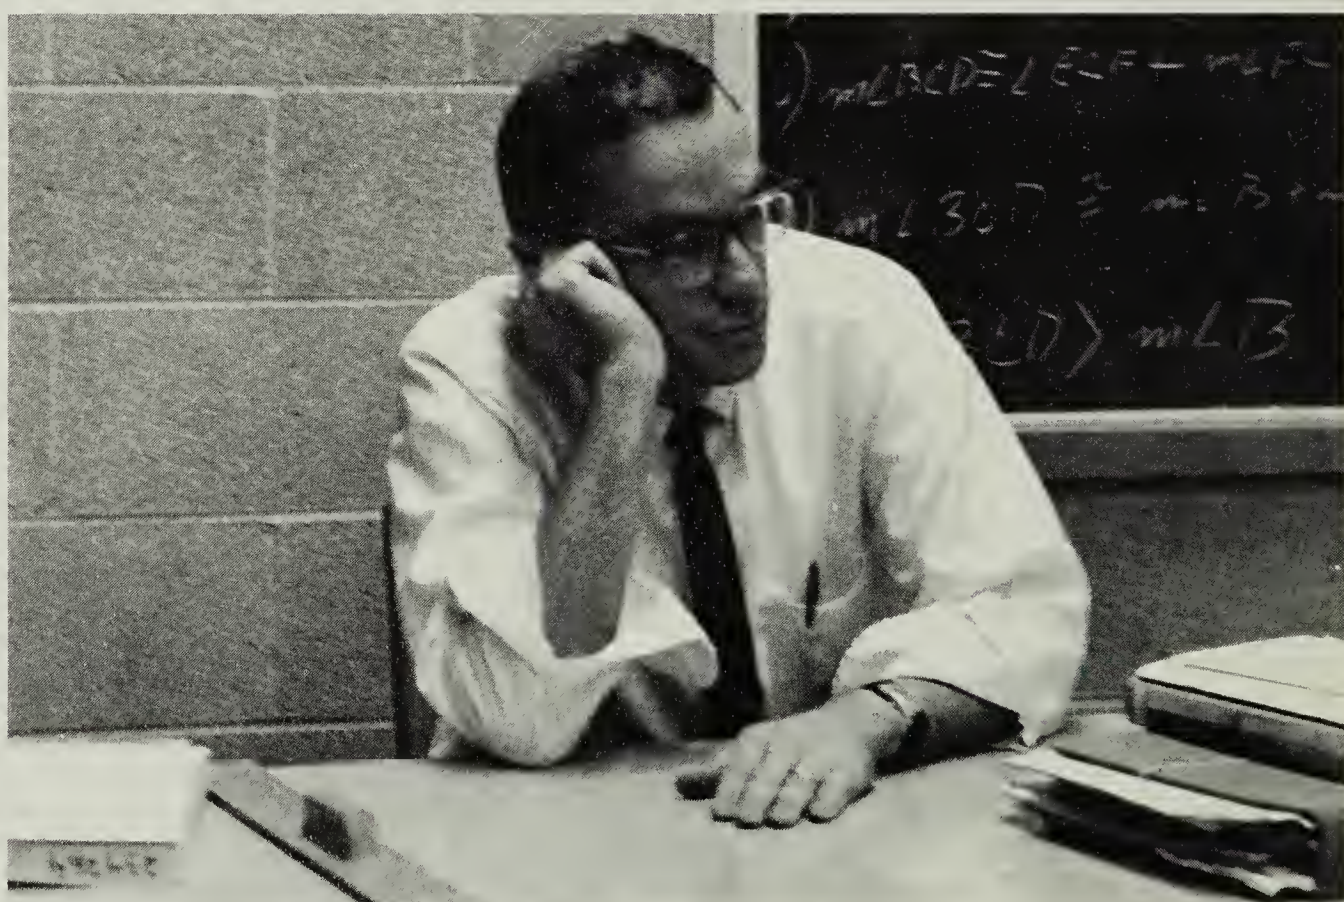

English, a familiar yet complex language, has been approached in a new and dedicated manner. Original with Ft. Hunt, the plan — a change each six weeks of teacher, subject matter, and classmates — has been enjoyed by selected juniors and seniors. These students are given an opportunity to choose the subdivisions of English in which they are interested. This Department has given the students a new incentive for conquering their subject. For those students who have overlooked this chance, our excellent teachers strive to bring interest in English to the students of Ft. Hunt.

Mr. Pattisall, Mrs. Brooks, Mrs. Smith, Mr. Higginson, Mr. Johnson, Mrs. Bogart.

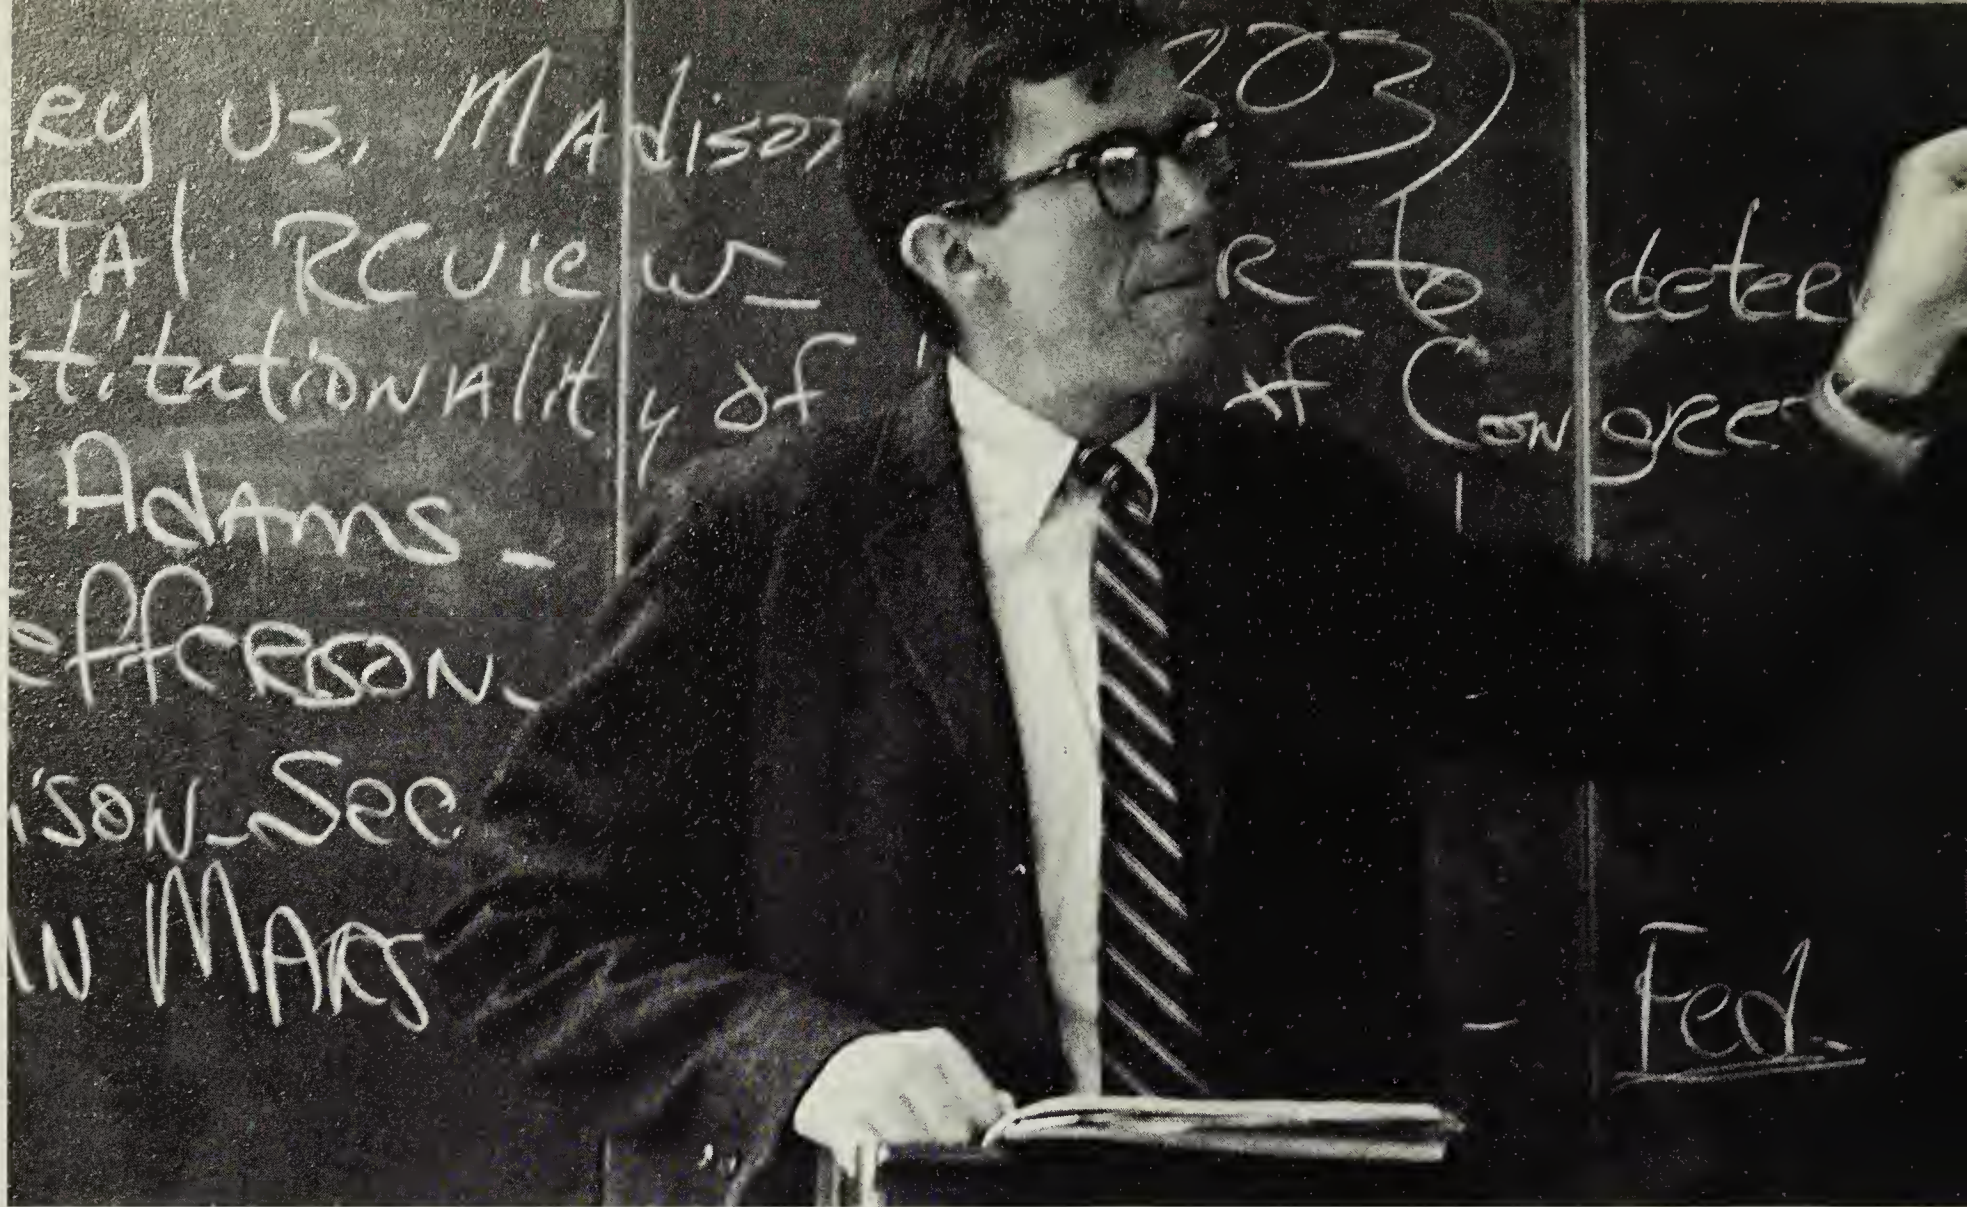

"How did you do that?" is a question which constantly plagues our Mathematics Teachers. The Mathematics Department offers a well-rounded course from Consumer Mathematics and Mathematics Level I to Calculus and Mathematical Analysis. The goal is to correlate mathematics with other subjects, through the development of reasoning abilities. Here, mathematics is presented as a necessary and useful tool to an individual.

Sitting: Mrs. DiFusco, Mr. Liwski. **Standing:** Mr. Moulds, Mr. Dolinger, Mr. Sill, Mr. Evans, Mr. Stolfi, Mr. Lawson, Mr. Potter, Mr. Hall, Mr. Desmond, Mr. Dearborn, Mr. Hartmann, Mr. Layman.

Mathematics

Mr. Cohen

It is the enlightened citizen who makes our American system of government the best system in the world. It is the study of history, geography, government, and economics which gives to each student the background necessary to become a good and productive citizen. The Social Studies Department not only teaches but helps students to experience both what has happened and why it has happened. By giving the students a deeper appreciation and keener awareness of the surrounding world, progress can be made at a faster rate.

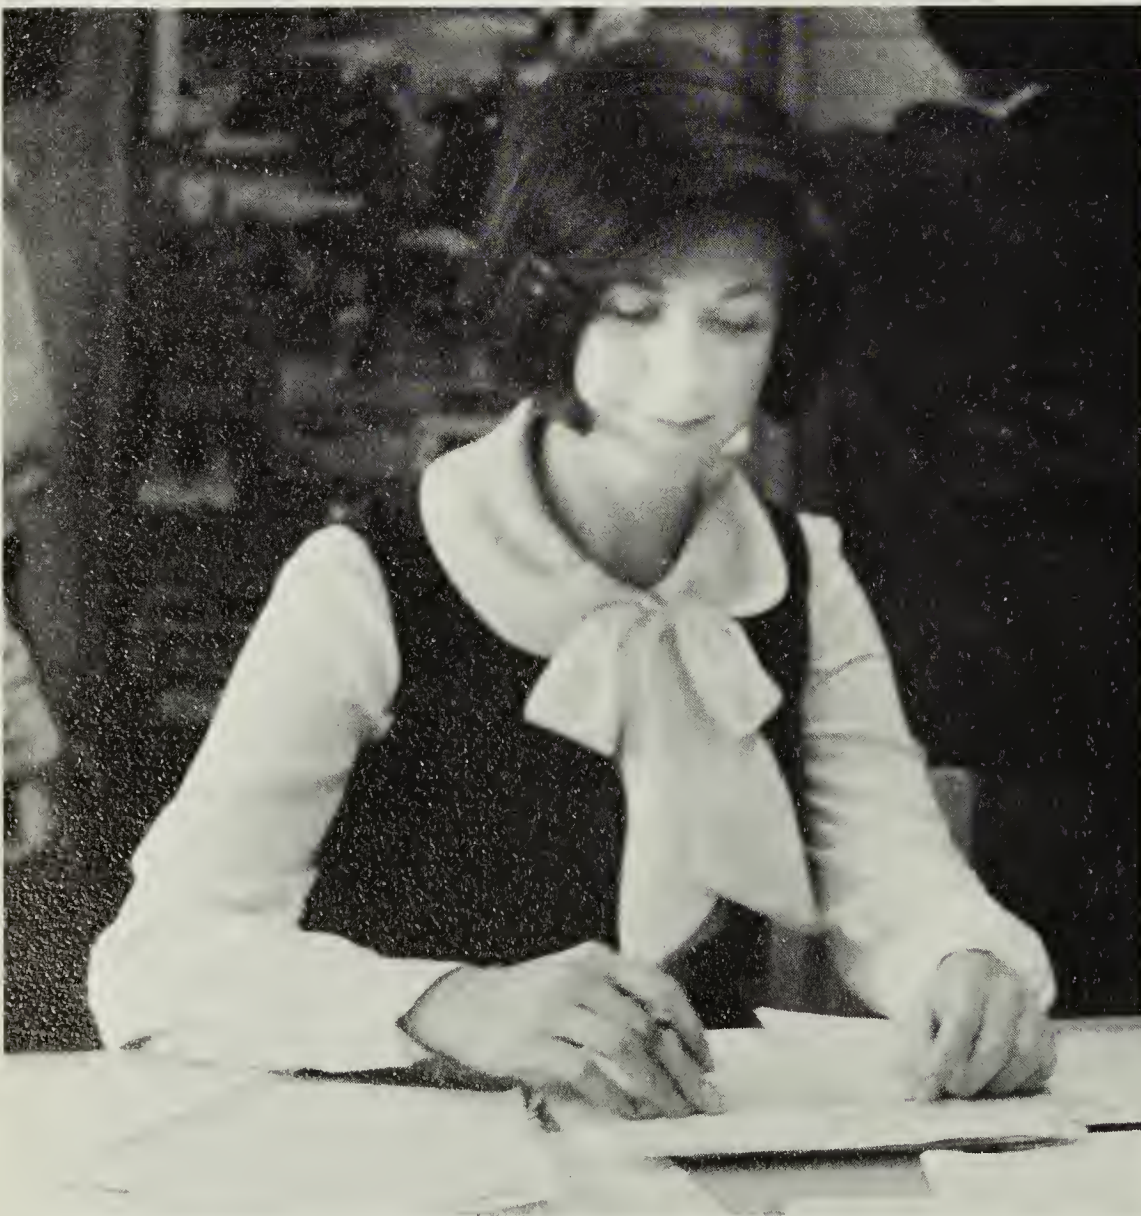

Social Studies

Sitting: Mr. Lyons. **Standing:** Mr. Rich, Mr. Hensley, Mr. Keely, Mr. McClure, Mr. Gorman, Mr. Garner, Mr. Stewart, Mr. Dyer, Mr. Hinson, Mr. Urso, Mr. Combs.

Mr. Rizzo, Mrs. Naylor, Miss Tucker, Miss Peirce, Miss Bode, Miss Whitla.

Listening, speaking, reading, and writing a foreign language comprises the ALM program used to teach various Languages to Fort Hunt students. This audio-lingual method teaches students to compose and to converse in the language in order to give them a basic knowledge for future study. The study of languages is also made interesting through an appreciative research of the mother country, its culture and history. Thus the students can benefit from a different and exciting method of teaching.

Mr. Craig, Miss Extract, Mrs. Pratt, Mrs. South, Mrs. Nelson, Miss Wilbur.

Language

Mrs. Hall

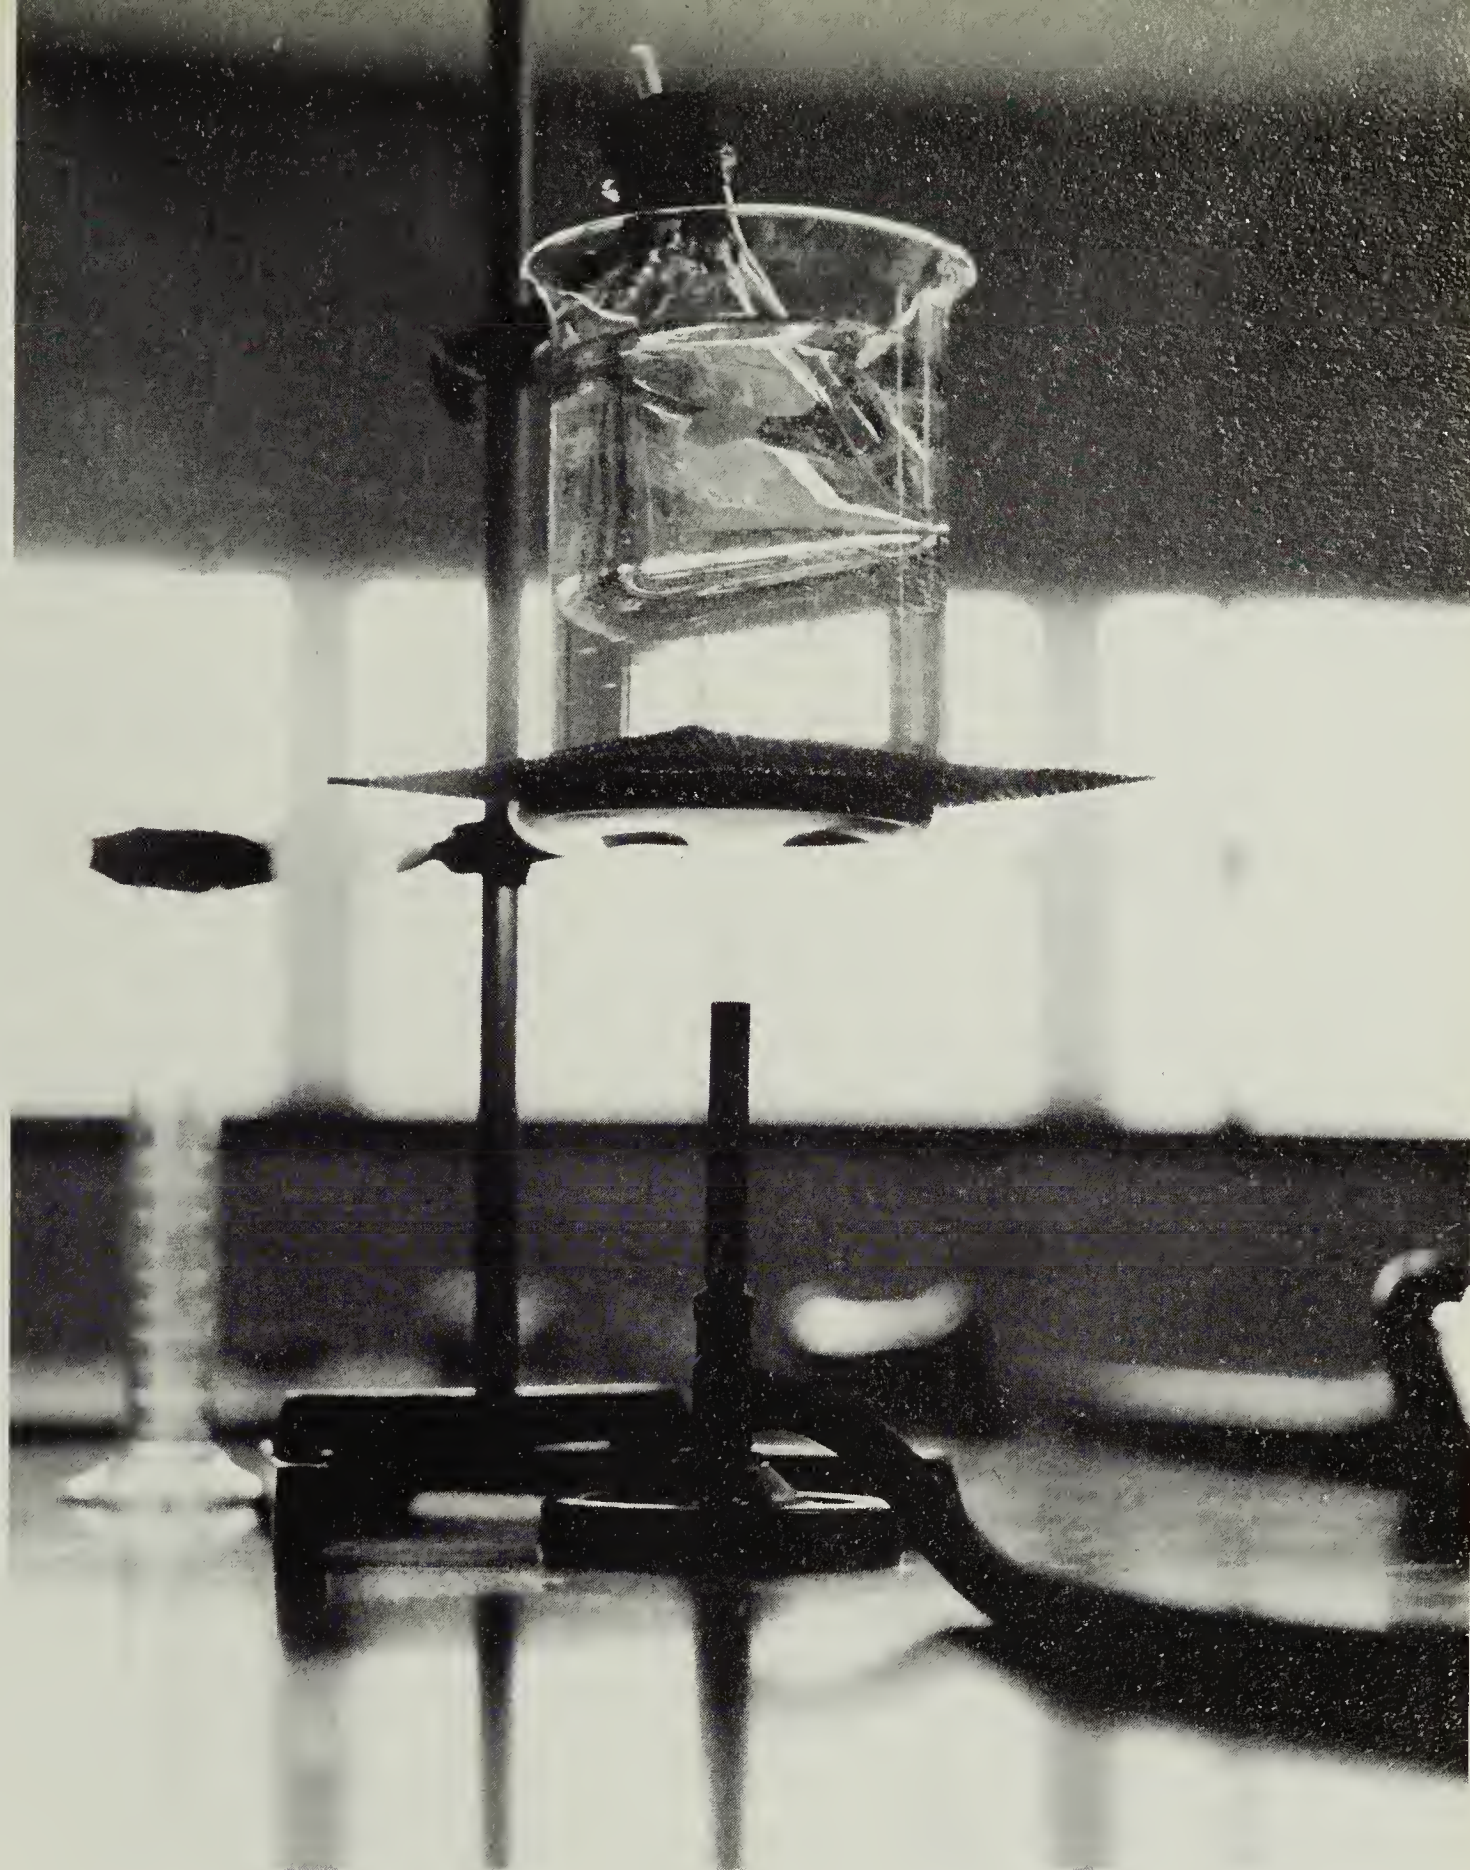

Sitting: Mrs. Henderson. **Standing:** Mr. McLendon, Mr. Holt, Mrs. Rousos, Mr. Bishopp, Mr. Miller, Mr. Hessler.

Mr. Berry

Science

Today's student finds himself in an age of automation, space exploration, and general scientific achievement. It is an exciting but demanding world. Our Science Department is dedicated to help the student "discover" and understand the "big ideas" and develop the reasoning and critical thinking ability that will make him a more useful citizen in a technical world. As an additional stimulus to individual research work, the school's laboratories are open after school three days each week.

Sitting: Mrs. Martin. **Standing:** Miss Thacker, Mrs. Halpern, Mrs. Gibbens, Mrs. Green.

Business

Cramped fingers and broken fingernails are the badges of effort displayed by those students who take business subjects. Most of the department's courses feature constant practice instead of constant studying, designed to develop skills for employment and for college. Students who will enter the business world from high school must have skills in typing, shorthand, and bookkeeping in order to compete, while college-bound students need typing and notehand to cope with a rigorous academic schedule.

Mr. Sachs, Mrs. Lam, Mr. Manning

Physical Education

First row Miss Lytton, Miss Reichhardt, Mr. Smith, Miss Pittman, Mrs. Roberts, Miss Duncan. **Second row** Mr. Crawley, Mr. Keim, Mr. Scharf, Mr. Colna, Mr. Grow.

Progress does not neglect the Physical Education Department. Armed with a plea for physical fitness, this department has designed courses to help the individual student achieve a desirable level of strength, straightness of body, and skills in fundamental activities. This department is striving to meet its goals through a balanced program of team and individual activities.

Music

Mr. Christy, Mr. King

Teaching students to appreciate music in all its forms is the purpose of the Music Department. Instruction provides a technical education in music for those students who will be going further into the field. In addition to the academic advantages provided by the department, the choruses, bands, orchestra, and performing groups add entertainment for all Fort Hunt Federals.

Students in the Industrial Arts courses are given an opportunity to use their hands to perform various tasks. The instructors acquaint them with processing methods and teach them to handle tools and materials that are used in industry. This year, general shop activities were increased with the availability of the second laboratory. Additions are a new course in technical illustrating and an Industrial Arts Club, the latter being affiliated with the American Industrial Arts Association.

Sitting: Mr. Tesky. **Standing:** Mr. Jacoby, Mr. Thomson.

Industrial Arts

Home Economics

Smell that chicken frying? Smell that bread baking? These tantalizing odors as well as some indescribable ones are attributed to the Home Economics Department. In addition to the preparation of foods, both male and female students are taught the fundamentals of interior decoration, child development, family relations, family finance, home nursing, and how to purchase and to make clothing. Future homemakers are groomed through the efforts of Fort Hunt's modern teachers and their up-to-date methods.

Mrs. Robert, Miss Eubanks, Mrs. Barton

Mr. Kladitis, Mrs. Gordon, Miss Sharpe.

Through ink, paint, oils, and clay, students develop skills in the use of art media and in the expression of creative ideas. In addition to the development of skills, students are taught the value of art to the individual. Colorful posters and banners seen throughout the school attest to the value of the Art Department to other school activities.

CLASSES

Every tiny step forward in the world
was formerly made at the cost of men-
tal and physical torture.

—Friedrich Wilhelm Nietzsche

Seniors

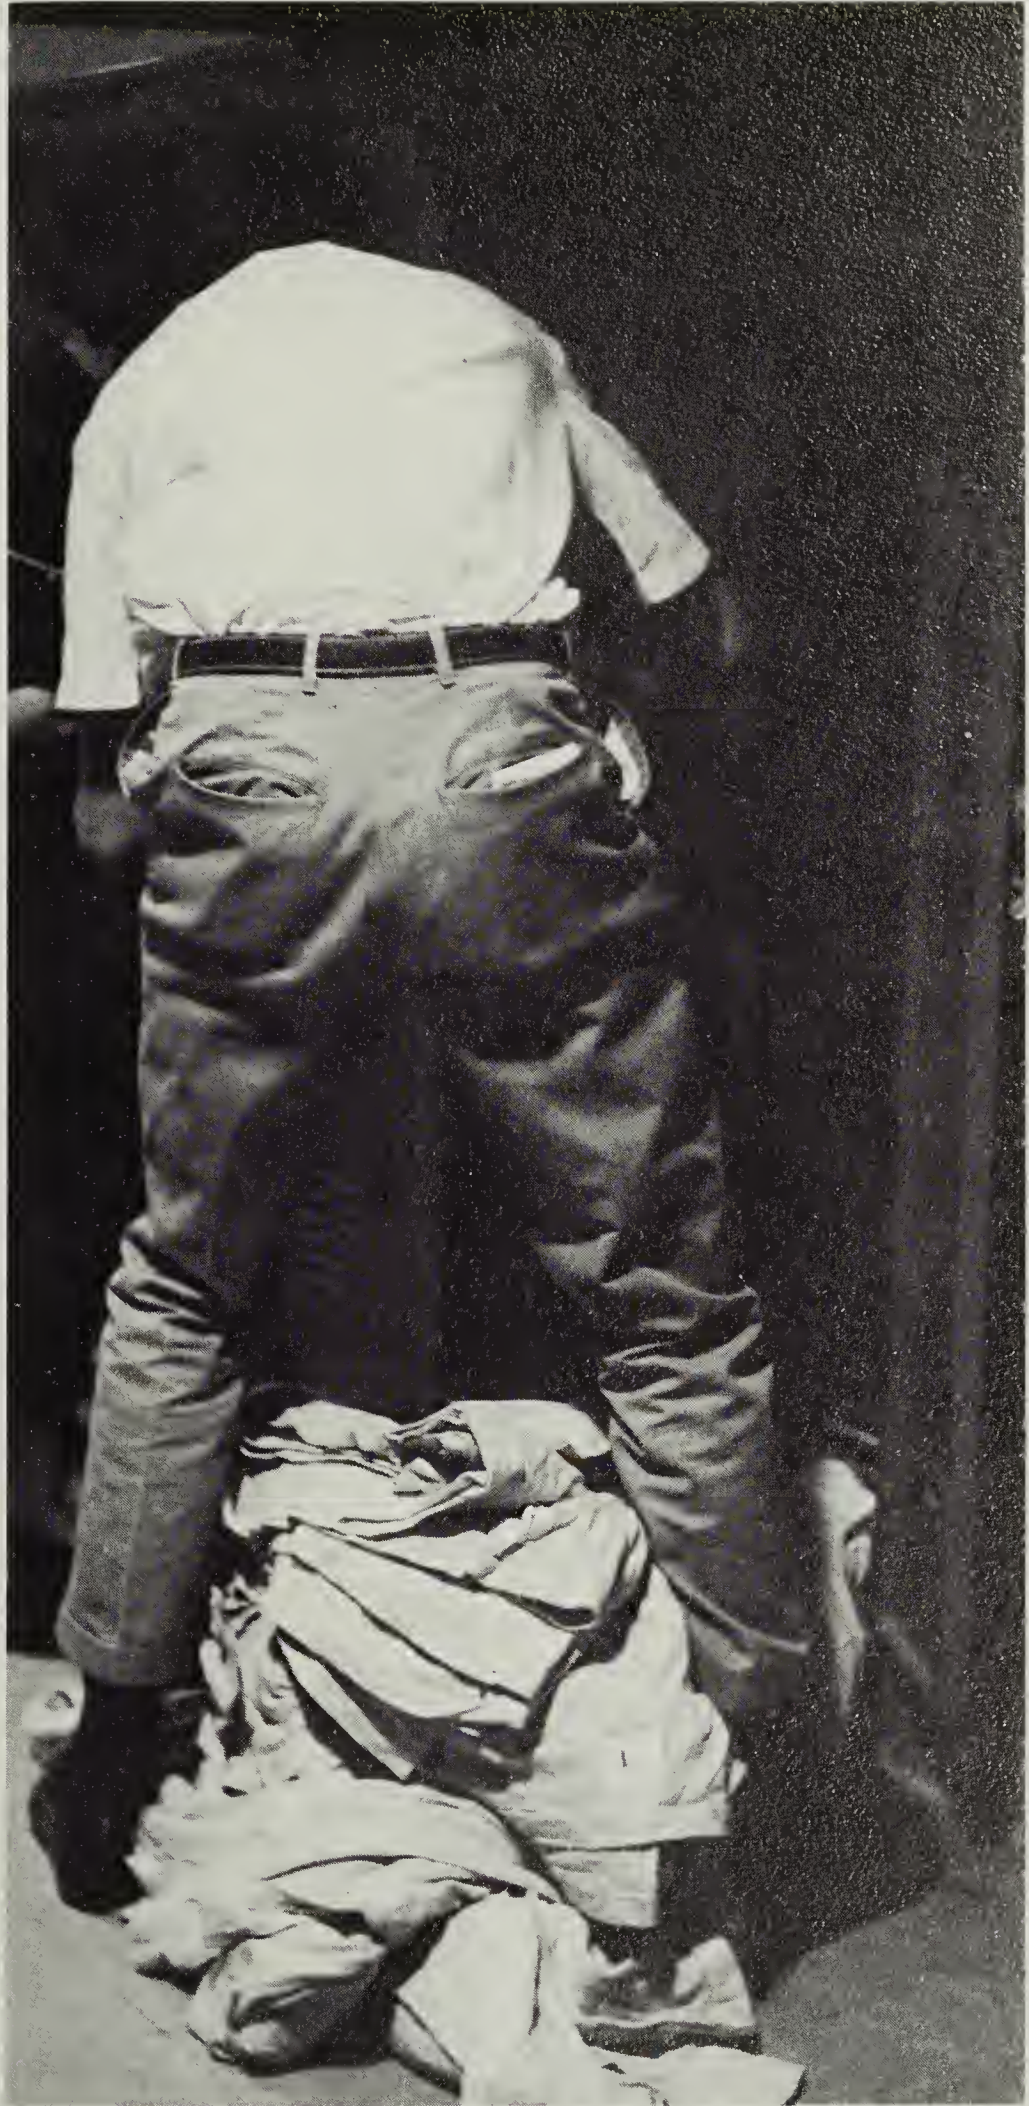

The superior man is the providence of the inferior. He is eyes for the blind, strength for the weak, and a shield for the defenseless. He stands erect by bending above the fallen. He rises by lifting.
